

Your opportunity to contribute  
 to the *long term cultural identity*  
 of Western Australia

Stuart Elliott from Residency in Scotland.

The artsource Residency Fund is our first ever public appeal. The aim is to raise \$2million to achieve the dream of providing 12 talented Western Australian artists with travel residencies every year for ten years.

As a vital step in enhancing the visual culture of your State, **artsource** has established an artist's Residency Fund. Over the coming ten years, the Fund will assist our most talented emerging and established artists to travel the world – to research, learn and apply their experiences to the development of their art practice.

With your support we can achieve the dream of providing 12 talented Western Australian artists with travel residencies every year for ten years.

- 100% of your valued donation will be directed to the residency fund – there will be no management fees
- Donations over \$2 are fully tax deductible
